Purpose of the proposal and its anticipated effects, including any changes in existing rules:

The Department of Early Learning (DEL) is proposing new, amended and repealed rules establishing procedures for background checks conducted by DEL. DEL does a background check on every person authorized to provide care for or have unsupervised access to children in child care facilities licensed or certified by DEL.

Before July 3, 2006, background checks for child care were conducted under Department of Social and Health Services (DSHS) rules. When DEL was established as separate agency under chapter 265, Laws of 2006 (chapter 43.215 RCW), DSHS rules became obsolete for the purpose of conducting background checks for child care licensed or certified by DEL. DEL has been providing background checks since July 3, 2006 under emergency rules, ~~and~~ currently filed as WSR 08-04-060. The department intends to adopt the proposed background check rules as permanent to replace the emergency rules.

AF

The proposed rules also implement chapter 387, Laws of 2007 that further defined DEL's responsibility to conduct background checks under RCW 43.43.832. (Continued in Attachment A)

**Agency comments or recommendations, if any, as to statutory language, implementation, enforcement, and fiscal matters:**

Chapter 265, Laws of 2006 (codified as chapter 43.215 RCW) transferred the powers, duties, functions and rules pertaining to child care licensing from DSHS to the Department of Early Learning. As a result, references to DSHS-related laws, rules and programs in the child care licensing WAC chapters 170-151, 170-295, and 170-296 became obsolete. Several of these obsolete references are corrected in this proposal, along with other minor corrections and clarifications that do not change the intended effect of the rules.

**Attachment A to  
CR-102 Proposed Rule Making Notice  
Chapter 170-06 WAC – DEL Background Check Rules**

**Purpose of the proposal (continued from the CR-102 proposed rule making notice)**

**DEL authority to conduct background checks**

The Department of Early Learning is required by law to assess the character, suitability and competence of anyone applying for a child care license or to care for children in child care, and others who would have unsupervised access to children in child care. DEL is also required by law to adopt its background check requirements by rule (WAC). DEL's responsibilities are described in the following sections of chapters 43.215 and 43.43 RCW, quoted in part:

**RCW 43.215.200**

It shall be the [DEL] director's duty with regard to licensing:

...(2) In consultation and with the advice and assistance of parents or guardians, and persons representative of the various type agencies to be licensed, to adopt and publish minimum requirements as for licensing applicable to each of the various categories of agencies to be licensed under this chapter;

(3) In consultation with law enforcement personnel, the director shall investigate the conviction record or pending charges of each agency and its staff seeking licensure or relicensure, and other persons having unsupervised access to children in care...

*[DEL Note: 'requirement' is defined in RCW 43.215.010 (9) as "any rule, regulation, or standard of care to be maintained by an agency"]*

**RCW 43.215.205**

Applications for licensure shall require, at a minimum, the following information:

...(2) The character, suitability, and competence of an agency and other persons associated with an agency directly responsible for the care of children;

**RCW 43.215.215**

(1) In determining whether an individual is of appropriate character, suitability, and competence to provide child care and early learning services to children, the department may consider the history of past involvement of child protective services or law enforcement agencies with the individual for the

purpose of establishing a pattern of conduct, behavior, or inaction with regard to the health, safety, or welfare of a child. No report of child abuse or neglect that has been destroyed or expunged under RCW 26.44.031 may be used for such purposes. No unfounded or inconclusive allegation of child abuse or neglect as defined in RCW 26.44.020 may be disclosed to a provider licensed under this chapter.

(2) In order to determine the suitability of applicants for an agency license, licensees, their employees, and other persons who have unsupervised access to children in care, and who have not resided in the state of Washington during the three-year period before being authorized to care for children, shall be fingerprinted.

...(c) The director shall use the information solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children.

#### **RCW 43.43.832**

....(6) The director of the department of early learning shall adopt rules and investigate conviction records, pending charges, and other information including civil adjudication proceeding records, in the following circumstances:  
*[DEL Note: See the definition of "civil adjudication proceeding in RCW 43.43.830]*

(a) When licensing or certifying agencies with individuals in positions that will or may have unsupervised access to children who are in child day care, in early learning programs, or receiving early childhood education services, including but not limited to licensees, agency staff, interns, volunteers, contracted providers, and persons living on the premises who are sixteen years of age or older;

(b) When authorizing individuals who will or may have unsupervised access to children who are in child day care, in early learning programs, or receiving early childhood learning education services in licensed or certified agencies, including but not limited to licensees, agency staff, interns, volunteers, contracted providers, and persons living on the premises who are sixteen years of age or older;

(c) When contracting with any business or organization for activities that will or may have unsupervised access to children who are in child day care, in early learning programs, or receiving early childhood learning education services;

(d) When establishing the eligibility criteria for individual providers to

receive state paid subsidies to provide child day care or early learning services that will or may involve unsupervised access to children.

**RCW 43.43.830**

Unless the context clearly requires otherwise, the definitions in this section apply throughout RCW 43.43.830 through 43.43.845....

(3) "Civil adjudication proceeding" is a judicial or administrative adjudicative proceeding that results in a finding of, or upholds an agency finding of, domestic violence, abuse, sexual abuse, neglect, abandonment, violation of a professional licensing standard regarding a child or vulnerable adult, or exploitation or financial exploitation of a child or vulnerable adult under any provision of law, including but not limited to chapter 13.34, 26.44, or 74.34 RCW, or rules adopted under chapters 18.51 and 74.42 RCW. "Civil adjudication proceeding" also includes judicial or administrative findings that become final due to the failure of the alleged perpetrator to timely exercise a legal right to administratively challenge such findings.

(4) "Conviction record" means "conviction record" information as defined in RCW 10.97.030 and 10.97.050 relating to a crime committed by either an adult or a juvenile. It does not include a conviction for an offense that has been the subject of an expungement, pardon, annulment, certificate of rehabilitation, or other equivalent procedure based on a finding of the rehabilitation of the person convicted, or a conviction that has been the subject of a pardon, annulment, or other equivalent procedure based on a finding of innocence. It does include convictions for offenses for which the defendant received a deferred or suspended sentence, unless the record has been expunged according to law.

(5) "Crime against children or other persons" means a conviction of any of the following offenses: Aggravated murder; first or second degree murder; first or second degree kidnaping; first, second, or third degree assault; first, second, or third degree assault of a child; first, second, or third degree rape; first, second, or third degree rape of a child; first or second degree robbery; first degree arson; first degree burglary; first or second degree manslaughter; first or second degree extortion; indecent liberties; incest; vehicular homicide; first degree promoting prostitution; communication with a minor; unlawful imprisonment; simple assault; sexual exploitation of minors; first or second degree criminal mistreatment; endangerment with a controlled substance; child abuse or neglect as defined in RCW 26.44.020; first or second degree custodial interference; first or second degree custodial sexual misconduct; malicious harassment; first, second, or third degree child molestation; first or second degree sexual misconduct with a minor; \*patronizing a juvenile prostitute; child abandonment; promoting pornography; selling or distributing erotic material to a minor; custodial assault; violation of child abuse

restraining order; child buying or selling; prostitution; felony indecent exposure; criminal abandonment; or any of these crimes as they may be renamed in the future.

### **DEL Public Input Process**

These proposed rules were developed following:

- Forums held statewide in November and December 2006 seeking public input on the emergency background check rules (still in effect) and previous background check rules of the DSHS that were in effect for licensed and certified child care prior to the formation of DEL in 2006.
- Meetings in summer 2007 with child care providers, parent advocates, and the Services Employees International Union.
- Public review and comment on a preliminary draft of the background check rules in February 2008.

Further information about this proposal is available at the DEL public website, <http://www.del.wa.gov/policy/policyRules.shtml>, or by contacting the DEL Rules Coordinator to obtain information about these proposed rules by postal mail.

The public will also have further opportunities to comment on this proposal by either submitting written comments to the e-mail, fax and postal addresses noted on in this proposal or by attending one of two public hearings, scheduled for April 8, 2008, in Lacey and April 12, 2008, in Yakima.

Comments on this proposal will be accepted until noon on Monday, April 14, 2008. Public comments, and the department's response to each issue raised in comments, will be summarized in a "concise explanatory statement" prepared under RCW 34.05.325. The concise explanatory statement will be sent to everyone who comments on this proposal and to anyone who requests it.

### **Related changes to Child Care Licensing WAC chapters**

Accompanying amendments to the Child Care Licensing WAC chapters 170-151, 170-295, and 170-296 make background check requirements and procedures more consistent for all child care licensed and certified by DEL, and make those rules consistent with proposed new chapter 170-06 WAC. A side-by-side comparison of the proposed WAC chapter 170-06 and changes to the Child Care Licensing rules is available online at <http://www.del.wa.gov/Policy/policyPubComment.shtml> or by contacting the DEL Rules Coordinator at 360-725-4397, or at e-mail [andres.fernando@del.wa.gov](mailto:andres.fernando@del.wa.gov).

## **Summary of Key Comments on the Preliminary Draft of Background Check Rules Received from 2-11-08 through 2-22-08**

The Department circulated a preliminary draft of chapter 170-06 WAC on February 11, 2008 for public review. The following represent some key issues raised in those comments. The actual comments on the preliminary draft rules are available on the DEL public website

[http://www.del.wa.gov/Policy/Comments/Draft\\_Background\\_Check\\_rules\\_email\\_comments\\_2-11-08\\_to\\_2-25-08\\_v2.pdf](http://www.del.wa.gov/Policy/Comments/Draft_Background_Check_rules_email_comments_2-11-08_to_2-25-08_v2.pdf).

### **1. Rule-making process**

Concerns were expressed that the timeframes for comment on the informal draft were too short and that public comments were not posted for viewing.

The department is committed to an open and transparent rule-making process. The public and key stakeholders have had other opportunities to participate in the development of these rules in 2006, 2007 and in February 2008, and they may still comment on this proposal before the final rules are adopted.

While DEL does not presently have the technological capacity to post public comments online immediately upon submission, we are exploring this possibility for future public comment periods. The department made all comments on the draft rules available on the DEL website within one business day after the comment deadline.

Note: The law does not require actual posting of comments for public view during or after the rulemaking process. RCW 34.05.325 requires DEL to summarize and respond to the comments in a "concise explanatory statement" prepared just before adopting the final rule. However, to ensure an open rulemaking process, DEL will post comments on this proposal online weekly during the public comment period.

### **2. Negative actions and other non-conviction background information:**

Concerns were expressed that this is a new requirement, about whether DEL has the authority to make decisions based on information other than criminal convictions, what criteria is used for these decisions and that a person could be disqualified based on something as minor as a traffic ticket.

In RCW 43.43.832 (6), DEL is directed to investigate conviction records, pending charges, and other information including *civil adjudication proceeding records*, when licensing or certifying agencies and when authorizing individuals who will or may have unsupervised access to children who are in child day care. Civil adjudication proceedings may include a variety of judicial, administrative, or other agency findings. RCW 43.43.832 (1) states that businesses and organizations

providing services to children need adequate information to determine which employees or licensees to hire or engage.

Currently, the "DEL Director's List of Crimes and Negative Actions" (also known as the "Secretary's List of Crimes") is adopted by reference in the Child Care Center and Family Home Child Care WAC chapters 170-295 and 170-296 WAC, and in the emergency Background Check WAC chapter 170-06, but the content of the "List" has not been in the WAC. All of the "negative actions" defined in WAC 170-06-0020(9) and referenced throughout chapter 170-06 WAC are the same the negative actions in the DEL Director's List of Crimes and Negative Actions reference in the current child care licensing rules.

The current DEL Director's List of Crimes and Negative Actions is available online at:

[http://www.del.wa.gov/pdf/ccel/del\\_directors\\_list\\_of\\_disqualifying\\_crimes.pdf](http://www.del.wa.gov/pdf/ccel/del_directors_list_of_disqualifying_crimes.pdf).

The Director's List is essentially unchanged from the time DEL was formed in 2006. It also is essentially the same as the DSHS Secretary's List of Disqualifying Crimes that was in effect for licensed and certified child care before DEL was formed.

In proposed WAC chapter 170-06:

- The Director's List is in proposed in its entirety, with the exception that "theft-welfare" is added. Crimes on the Director's List are described in WAC 170-06-0120 and reflect only crimes. The current Director's List online mixes crimes and non-crime negative actions and is much less clear.
- Negative actions are more clearly defined in WAC 170-06-0020(9).
- The Department's actions that can or will be taken based on consideration of negative actions and other information about an applicant is more detailed in the proposal.
- Negative actions that always disqualify a person have been limited to those actions that relate to abuse or neglect of a child and those that relate to abuse, neglect or financial exploitation of a vulnerable adult.
- Other negative actions or information that are considered for disqualification must be *reasonably related to a persons' ability to care for or have unsupervised access the children in child care*. To disqualify an applicant, DEL must demonstrate that the information or negative action is related.

### **3. Background check process:**

Concerns were expressed about the lack of established timelines in the rules for getting background check authorizations back from DEL, delays in the fingerprinting process. Some commenters were concerned that a person must

have a DEL background check when they already have or had a background check from a school, military or other employer.

Besides DEL, there are three other agencies involved in the background check process: The Department and Social and Health Services-Background Check Unit, Washington State Patrol, and the FBI. Federal and state background check laws have been in near constant change recently, and so procedures have also been changing. DEL is reviewing its background check processing steps with the intent of proposing improvements in the approximately 30,000 background checks the department processes each year. Some of these improvements may require legislative funding or approval, and so may occur in future years. In the meantime, it may not be appropriate to state a particular deadline in rule for DEL to complete a background check or determination that an applicant is or is not qualified, if the alternative would be to allow applicants to provide unsupervised child care who may later be determined as unqualified under these rules. The duty to protect the health and safety of children in child care must be the Department's first concern.

Regarding duplicate background checks of schools, military or other employers, state law requires that a background check done for one purpose or agency may not be used for another purpose. Background checks used for military jobs or even for employment in other licensed facilities – such as long-term care or hospitals – may not include and consider the same set of crimes and negative actions as required for child care licensed or certified by DEL.

#### **4. Character, suitability, competence assessment:**

Concerns were expressed about DEL's legal authority to assess character, competence and suitability, what criteria will be used and that it is ambiguous. Also, DEL' authority to require additional information from an applicant was questioned.

In RCW 43.215.205 and 42.215.215, DEL is directed to collect information on the character, suitability and competence of applicants for licensure and for other persons associated with an agency. RCW 43.43.832 (6) defines who must be investigated for authorization to care for or have unsupervised access to children in child care.

Currently, DEL licensing staff conduct this assessment based on information disclosed on the background check form, Washington State Patrol records, adjudicative proceeding records from other agencies (such as DSHS, Department of Health, Department of Corrections, and FBI records when required) and other information that comes to the attention of DEL during the license application or background check process.

In proposed WAC chapter 170-06:

- The sources for information to conduct the assessment are unchanged from current requirements and are essentially unchanged from requirements in effect when DSHS licensed child care.
- WAC 170-06-0030 states the reason for background check evaluations.
- WAC 170-06-0050 states the steps that DEL must take to assess the character, suitability and competence of the background check applicant.
- The proposed rules are more specific regarding how negative actions and other types of actions are considered by the Department.
- In WAC 170-06-0060, DEL will have to have 'reason to believe that additional information is needed' before requesting an applicant to provide more information or evaluative reports.

## **Other Questions and Answers**

**Who has appeal rights under these rules?** Any individual who is disqualified by DEL has the right to appeal the disqualification. These rights are more clearly described in the proposed background check rules. The current school age child care and child care center rules do not state an applicant's hearing rights. The family home child care rules have only a brief sentence describing an applicants hearing rights.

**Can an applicant who has been disqualified by DEL have the opportunity to show that they do not pose a risk to children?** Yes, if the applicant can demonstrate to DEL by clear and convincing evidence that they have the character, suitability and competence to care for or have unsupervised access to children in child care, DEL may consider authorizing them.

## **Reasons why rules are needed on this subject:**

DEL is required by law to adopt rules setting the minimum requirements for licensed and certified child care, and rules for conducting background checks on persons applying to be authorized to care for children in child care or to have unsupervised access to children in child care.

The proposed rules help DEL, parents, and child care providers protect the health and safety of children by requiring that all persons applying to be authorized to care for children in child care or to have unsupervised access to children in child care have completed a background check inquiry.

## Chapter 170-06 WAC

### DEL BACKGROUND CHECK RULES

#### NEW SECTION

**WAC 170-06-0010 Purpose and scope.** (1) The purpose of this chapter is to establish rules for background checks conducted by the department of early learning (DEL or department). The department does background checks on individuals who are authorized to care for or have unsupervised access to children in child care agencies or in facilities that are certified by DEL. Background checks are conducted to find and evaluate any history of criminal convictions, pending charges, negative actions, or other information that raises concerns about an individual's character, suitability and competence to care for or have unsupervised access to children in child care.

(2) This chapter applies to all individuals who are applying for a new or renewal license or certification, applying for authorization to care for or have unsupervised access to children in child care and to persons who are licensed, certified by DEL or authorized to care for or have unsupervised access to children in child care.

(3) If any provision of this chapter conflicts with any provision in any chapter containing a substantive rule relating to background checks and qualifications of persons who are authorized to care for or have unsupervised access to children in child care, the provisions in this chapter shall govern.

(4) These rules implement chapters 43.215 and 43.43 RCW, including DEL responsibilities in RCW 43.215.200, 43.215.205, 43.215.215, 43.43.830, and 43.43.832.

(5) Effective date: These rules are initially effective July 3, 2006, and apply prospectively.

#### NEW SECTION

**WAC 170-06-0020 Definitions.** The following definitions apply to this chapter:

(1) **"Agency"** has the same meaning as "agency" in RCW

43.215.020(2).

(2) **"Appellant"** means only those with the right of appeal under this chapter.

(3) **"Applicant"** means an individual who is seeking a DEL background check authorization as part of an application for a child care agency license or DEL certification or who seeks DEL authorization to care for or have unsupervised access to children in child care.

(4) **"Authorized"** or **"authorization"** means approval by DEL to care for or have unsupervised access to children in child care or to work in or reside on the premises of a child care agency or certified facility.

(5) **"Certification"** or **"certified by DEL"** means an agency that is legally exempt from licensing that has been certified by DEL as meeting minimum licensing requirements.

(6) **"DEL"** or **"department"** means the department of early learning.

(7) **"Director's list"** means a list of crimes, the commission of which disqualifies an individual from being authorized by DEL to care for or have unsupervised access to children in child care, WAC 170-06-0120.

(8) **"Disqualified"** means DEL has determined that a person's background information prevents that person from being licensed or certified by DEL or from being authorized by DEL to care for or have unsupervised access to children in child care.

(9) **"Negative action"** means a court order, court judgment or an adverse action taken by an agency, in any state, federal, tribal or foreign jurisdiction, which results in a finding against the applicant reasonably related to the individual's character, suitability and competence to care for or have unsupervised access to children in child care. This may include but is not limited to:

(a) A decision issued by an administrative law judge.

(b) A final determination, decision or finding made by an agency following an investigation not subject to further review.

(c) Termination, revocation or denial of a license or certification, or if pending adverse agency action, the voluntary surrender of a license, certification or contract in lieu of the adverse action.

(d) Revocation, denial or restriction placed on any professional license.

(e) A final decision of a disciplinary board.

(10) **"Unsupervised access"** means:

(a) An individual will or may have the opportunity to be alone with a child in child care at any time for any length of time; and

(b) Access that is not within constant visual and auditory range of the licensee, an employee authorized by DEL, nor a relative or guardian of the child in child care.

## NEW SECTION

**WAC 170-06-0030 Reason for background checks.** The department does background checks to reduce the risk of harm to children from caregivers or others who have been convicted of certain crimes or who pose a risk to children. The department's rules and state law require the evaluation of background information to determine the character, suitability and competence of persons who will care for or have unsupervised access to children in child care.

## NEW SECTION

**WAC 170-06-0040 Background clearance requirements.** (1) At the time of application for a license or certification or for authorization to care for or have unsupervised access to children in child care, the applicant shall submit to the department a completed background check form and fingerprint card, if required. A fingerprint card is required for a Federal Bureau of Investigation check if the applicant has resided in the state of Washington for less than three years. This requirement applies to:

- (a) Each individual applicant for a license or certification;
- (b) All staff of the licensed child care agency or certified facility, whether they provide child care or not, including but not limited to:
  - (i) Primary staff persons;
  - (ii) Assistants;
  - (iii) Volunteers;
  - (iv) Interns;
  - (v) Contracted providers;
  - (vi) Each person residing on the premises of a licensed facility who is sixteen years of age or older; and
  - (vii) All individuals who are sixteen years of age or older who will care for or have unsupervised access to children in child care.

(2) Each person identified in this section must complete a DEL background check form, disclosing:

- (a) Whether he or she has been convicted of any crime;
- (b) All arrests and the subsequent dispositions of such arrests; and
- (c) Negative actions, to which he or she has been subject, as defined by WAC 170-06-0020(9).

(3) An agency, licensee, or certified facility shall require an applicant to submit to the licensee or facility a completed background check form:

- (a) By the date of hire of new staff, assistants, volunteers, interns or contracted providers;
- (b) By the date a person age sixteen or older moves onto the premises; or

(c) By the date a person who resides on the premises turns sixteen years old.

(4) The licensee or certified facility must submit the background check form to the department within seven days of the staff, assistant, volunteer, intern or contracted provider's first day of employment, date the person moves on the premises or turns sixteen years old, as applicable.

(5) An individual shall not care for or have unsupervised access to children in child care unless he or she has obtained a DEL authorization under this chapter.

(6) Agencies, licensees and facilities shall not permit any individual to care for or have unsupervised access to children in child care, unless the individual has been authorized by DEL to care for or have unsupervised access to children in child care.

(7) An individual who has been disqualified by DEL shall not be present on the premises of a licensed or certified facility.

#### NEW SECTION

**WAC 170-06-0050 Department action following completion of background inquiry.** After the department receives the background information it will conduct a character, suitability and competence assessment as follows:

(1) Compare the background information with the DEL director's list, WAC 170-06-0120, to determine whether the applicant must be disqualified under WAC 170-06-0070 (1) and (2). In doing this comparison, the department will use the following rules:

(a) A pending charge for a crime or a deferred prosecution is given the same weight as a conviction.

(b) If the conviction has been renamed it is given the same weight as the previous named conviction. For example, larceny is now called theft.

(c) Convictions whose titles are preceded with the word "attempted" are given the same weight as those titles without the word "attempted."

(d) The term "conviction" has the same meaning as the term "conviction record" as defined in RCW 10.97.030 and shall include convictions or dispositions for crimes committed as either an adult or a juvenile. It shall also include convictions or dispositions for offenses for which the person received a deferred or suspended sentence, unless the record has been expunged according to law.

(e) Convictions and pending charges from other states or jurisdictions will be treated the same as a crime or pending charge in Washington state. If the elements of the crime from the foreign jurisdiction are not identical or not substantially similar to its Washington equivalent or if the foreign statute is broader than the Washington definition of the particular crime, the defendant's conduct, as evidenced by the indictment or information, will be

analyzed to determine whether the conduct would have violated the comparable Washington statute.

(f) The crime will not be considered a conviction for the purposes of the department when it has been pardoned or a court of law acts to expunge, dismiss, or vacate the conviction record, or if an order of dismissal has been entered following a period of probation, suspension or deferral of sentence.

(2) Evaluate any negative action information to determine whether the applicant has any negative actions requiring disqualification under WAC 170-06-0070(3).

(3) If the applicant is not disqualified under WAC 170-06-0070 (1), (2) or (3), evaluate any negative action information and any other pertinent background information, including nondisqualifying criminal convictions, to determine whether disqualification is warranted under WAC 170-06-0070 (4), (5) or (7).

(4) Notify the child care agency, licensee, or certified facility whether or not the department is able to authorize the applicant to care for or have unsupervised access to children in child care.

(5) The department will discuss the result of the criminal history and background check information with the licensee or management staff of a licensed or certified facility, when applicable.

#### NEW SECTION

**WAC 170-06-0060 Additional information the department may consider.** (1) If DEL has reason to believe that additional information is needed to determine the character, suitability and competence of the applicant to care for or have unsupervised access to children in child care, additional information will be requested. Upon request, the applicant must provide to the department any additional reports or information requested. This additional information may include, but is not limited to:

- (a) Sexual deviancy evaluations;

- (c) Psychiatric evaluations; and
- (d) Medical evaluations.

(2) Any evaluation requested under this section must be conducted by a DEL-approved evaluator and will be at the expense of the person being evaluated.

(6) An applicant who has a "founded" finding for child abuse or neglect will not be authorized to care for or have unsupervised access to children during the administrative hearing and appeals process.

(b) The applicant used illegal drugs or misused or abused prescription drugs or alcohol that either affected their ability to perform their job duties while on the premises when children were present or presented a risk of harm to any child in child care.

(d) The applicant lacks sufficient physical or mental health to meet the needs of children in child care.

(e) The applicant had a license or certification for the care of children or vulnerable adults terminated, revoked, suspended or

denied.

(8) If an applicant who has been disqualified can demonstrate by clear and convincing evidence that he or she has the character, suitability and competence to care for or have unsupervised access to children in child care, the department may consider authorizing the applicant to care for or have unsupervised access to children in child care.

#### NEW SECTION

#### NEW SECTION

**WAC 170-06-0110 Limitations on challenges to disqualifications.** (1) If the disqualification is based on a criminal conviction, the appellant cannot contest the conviction in the administrative hearing.

(2) If the disqualification is based on a finding of child abuse or neglect, or a finding of abandonment, abuse, neglect, exploitation, or financial exploitation of a vulnerable adult as defined in chapter 74.34 RCW, the appellant cannot contest the finding if:

(a) The appellant was notified of the finding by the department of social and health services (DSHS) and failed to request a hearing to contest the finding; or

(4) If the disqualification is based upon a negative action as defined in WAC 170-06-0020(9) the appellant cannot contest the underlying negative action in the administrative hearing if the appellant was previously afforded the right of review or hearing right and a final decision or finding has been issued.
